“For everything give thanks...” Ephesians 5:20
“Be kind to one another and love one another.” John 15:12

Dear Parents,

Our curriculum goals: five senses, letters G, H, I & J, triangle and rectangle, number 4 & 5, and learning about Thanksgiving and Christmas. Parent-teacher phone conferences will be November 14 & 15 and there will not be school for students on conference days. A teacher will call you at your scheduled conference time. A folder with your student’s work and a conference form will be going home after conferences. We will continue with daily outside play until we have snow on the playground. Please label all outerwear and help your student practice putting on his/her coat and zipping. If your student wears outdoor boots to school, please send shoes to wear in the classroom.
