Dear Parents,

March & April curriculum plans include learning about dental health, animals, the diamond shape, numbers 8, 9 & 10, letters S, T, U, V, W, X & Y. The sight words that we have introduced are: God, Jesus, Holy, Bible, the, I, see, like, at, a, is, you, look, or, and, that, he, go, play, to, it, on, be, had, of, was, as, his, in, for, we, are, do, she, & her. We are providing an exposure to sight words to encourage interest in beginning reading concepts. Certainly, we also work on letter/sound recognition. Reading is a journey and these are beginning steps to lay a foundation for kindergarten reading.
