Dear Parents,

Our curriculum goals: five senses, letters G, H, I & J, triangle and rectangle, numbers 4 & 5 and learning about Thanksgiving and Christmas. We are working on Christmas songs and are practicing for our Christmas program. We continue to work on the following sight words: God, Jesus, Bible, Holy, love, the, I, see, like, at, a, is, you, look, or, and. We are starting to combine words into sentences.

Thank you for your generous donations to the local community food shelf on school spirit day!

Our Christmas program is at 9:30 a.m. on Wednesday, December 18th in the church sanctuary. Students should dress in their holiday best for this very special program. All are invited to attend and students will be dismissed to go home after the program. We are looking forward to this very special event!
