

CHRISTIAN DAY CHILD ACADEMY  
November/December 2024– PRE-K5  
952-431-2025

Dear Parents,

Our curriculum goals include: letters G, H, I & J, triangle and rectangle, numbers 4 & 5, and learning about Thanksgiving and Christmas. Our science/health activities will center around nutrition and our five senses. During our "Living Word Friendship" time we are learning the "Bee Attitudes" - how Jesus wants us to live and the Christmas story from Luke 2: 8-11. A sheet with the Christmas story will be going home with the students. We will be reciting the Christmas story at our Christmas program.
